

## The Turbo Tube™ Brushing Tool - A Revolutionary Fitting And Tube Cleaning Brush!

The Turbo Tube Brushing Tool is *two brushes in one*, so you can clean fittings and copper tubing without changing tools! It's fast and easy, saving time and money.

Featuring rust-proof, stainless steel bristles, the Turbo Tube Brushing Tool is ideal for plumbing and HVAC projects. Plus, the tool is self-cleaning... as you switch from I.D. cleaning to O.D. cleaning residual build-up is removed. A heavy-duty ABS housing is impact-resistant and protects bristles so they retain their shape, increasing brush life.
